Boy I like you,  
Kinda much more than like you  
And I'm really really really gonna try to  
Keep it tucked beneath my tongue  
You taste like chocolate  
Put me in your pocket  
& yeah I wanna get your picture in my locket  
Keep you tucked beneath my shirt  
Mm  
Something here, you  
Got to see, come fill my curiosity

Oh,  
Alice in wonderland  
Love is calling,  
I know why they call it falling  
Tell me you'll you understand  
Don't be stalling,  
I know why they call it falling

So I waited,  
So long it was overrated  
But you never ever ever really dated  
Got me working for your love,  
What a turn on.  
Trying to get my flirt on  
Just wait until you see me with a skirt on  
Would you like to catch a movie sometime,  
Everything I thought I knew,  
Keeps changing when I look at you

Oh,  
Alice in wonderland  
Love is calling,  
I know why they call it falling  
Tell me you'll understand  
Don't be stalling,  
I know why they call it falling

Oh  
Cause you're leaving me with

Left over smiles  
And it's been a while  
So I'm going down  
Oh, back into a time

It's Alice in wonderland  
Love is calling,  
I know why they call it falling  
Baby come take my hand  
Don't be stalling,  
I know why they call it falling

I'm Alice in Wonderland  
And love is calling  
I know why they call it falling  
Baby come take my hand  
Don't be stalling,  
I know why they call it falling
