"Young, Bold, Beautiful"

Visit "[Young, Bold, Beautiful](#)" on MotoLyrics.com

Young, bold, beautiful, dignified, happy and keen to
the looks that you see in the magazines
I know that I'm far from perfect
All I need is one chance to show I'm worth it
I'm hypnotized and memorized
Your smile alone just sets the vibe
Sorry if I sound cliché
But I wanna take you away
On a magic carpet ride
Just me & you tonight
We can lay in the clouds
And sleep with the stars tonight

Have you ever sat on top of the world?
Well tonight, I hope your ready for a surprise
Keep your eyes on the prize, but tilt your head back
Listen to everything I say without rewinding it back
My regards, if I'm going too fast
I was caught up in thinking if you would be the last
Ready set stop, take a breather
You wanna stop? me neither
Red light, yellow light, green light, go
Full speed ahead with nowhere to go

Were too young, bold, beautiful, dignified, happy and
keen to the looks that you see in the magazines
I know that I'm far from perfect
All I need is one chance to show I'm worth it
I'm hypnotized and memorized
Your smile alone just sets the vibe
Sorry if I sound cliché
But I wanna take you away
On a magic carpet ride
Just me & you tonight
We can lay in the clouds
And sleep with the stars tonight

Uh oh, spaghetti oh's
Don't be afraid of the dark
Mr. moon is shinin
Alongside grey clouds with silver lining

Waitin for mrs. sun to come up
And shine on your face
A miracle in the makin'
No doubt your breathtaking
More than spectacular
Like a magnet, I'll come back to ya
Always and forever, through the thick and thin
No matter what, untill the end
I want to be more than a friend

Were too young, bold, beautiful, dignified, happy and
keen to the looks that you see in the magazines
I know that I'm far from perfect
All I need is one chance to show I'm worth it
I'm hypnotized and memorized
Your smile alone just sets the vibe
Sorry if I sound cliché
But I wanna take you away
On a magic carpet ride
Just me & you tonight
We can lay in the clouds
And sleep with the stars up high
