Hey! Remember me,  
We've got a date with destiny  
We're falling down my human rays  
We're searching for amazing grace

When the cup is half empty  
Make it half full  
There's an underground river  
Shaping us all

[Chorus:]  
Step by step  
Hour by hour  
What we've got is a woman's power  
Day by day  
Believe in you  
In what you want and what you do  
It's the strength of a woman  
It's the strength of a woman  
It's the strength of a woman

Hey girl, I remember you  
You're not alone cause I feel it too  
Been searching high for a better man  
But he won't save you , only you can

We're running out of heroes  
Good guys, I find  
Mister perfect wonderful is  
Not on my mind

[Chorus]

It's the strength of a woman

So come on (come on)  
Speak out (speak out)  
Be strong (be strong)  
No doubt (no doubt)

Cause, we free (we free)  
We hope (we hope)  
We run (we run)

[Chorus]

[Chorus]

It's the strength of a woman  
It's the strength of a woman  
It's the strength of a woman  
It's the strength of a woman  
It's the strength of a woman
