Tick tock
The moonlight's hummin'
My finger's on the button and my hob-nob's drummin'
Slow down we're moving too fast
Better wait a minute make the good times last
I've learned something bout livin'
You don't get nothing if you don't stop givin'
We both know that we got so much But there ain't no
rush
Wanna love you slowly
When you slide on down
Wanna love you slowly Turn that body round
You won't be able to control me
When your love slow down
Wanna love you slowly slowly slowly slowly
Slowly..
Hold tight
Love is all I need I guess it's sweeter when it's more
than just a tease
Let me hold you close enough to stick
Love is an illusion lets play that trick
Slow hand moving down my back
If you get a chance u feel my heart attack
Real love has never been a crime
Wanna take my time
Wanna love you slowly
When you slide on down
Wanna love you slowly
And turn that body round
You won't be able to control me
When your love slow down
Wanna love you slowly slowly slowly slowly Slowly...
Aah...Oah...Uah...
Slowly...Aah...Oah...Uah...
Slowly... yeah...Aah...Oah...Uah...
If you get a chance you feel my heart attack
Aah...Oah...Uah...
Real love has never been a crime
Wanna take my time
Wanna love you slowly
When you slide on down

Wanna love you slowly
And turn that body round
You won't be able to control me
When your love slow down
Wanna love you slowly slowly slowly slowly Slowly...
Slowly...Aah...Oah...Uah...Slowly...Aah...Oah...Uah...
Slowly... yeah...Aah...Oah...Uah...Aah...Oah...Uah...
