Believe it or not  
Everyone have things that they hide  
Believe it or not  
Everyone keep most things inside  
Believe it or not  
everyone believe in something above  
believe it or not  
everyone need to feel loved  
But we don't and we won't  
until we figure out  
Could someone deliver us  
Just send us some kind of sign  
So close to giving up  
Cause faith is so hard to find  
But you don't and you won't  
Until we figure out  
I've seen it alot every time the world turns upside down  
Believe it or not  
most of us feel like we're losing ground  
Believe it or not  
everyone hate admitting fear  
Believe it or not  
Most of us wanna know why we're here  
But we don't and we won't  
Until we figure out  
Could someone deliver us  
Just send us some kind of sign  
So close to givin' up  
Cause faith is so hard to find  
Could someone deliver us  
Just send us some kind of sign  
So close to givin' up  
Cause faith is so hard to find  
But you don't and you won't  
Until we figure out  
Most of us have nothing to complain about  
Most of us have things we could live without  
Everyone need advice on how to get along  
You don't we won't  
Until we figure out  
Believe it or not

Could someone deliver us
