Left on an eastbound train
Gone first thing this mornin
Why's what's best for you
Always the worst thing for me
When am I gonna learn
Why? Cause I'm tired of hating
When will it be your turn
Why? Cause I'm tired of waiting
No I don't
No I don't
No I don't
Well no I don't find faith in your forced feelings
Not fooled by your misleadings
Won't buy this line you're selling
Tired of this lie you're telling
I won't
I don't
I won't do this anymore
I won't
I don't
I won't do this anymore
She says I'm only telling half of it
That's probably cause there's only half worth telling
and every time I try to laugh it off
that's when you turn around and wind up yelling
When am I gonna learn
Why? Cause I'm tired of hating
When will it be your turn
Why? Cause I'm tired of waiting
No I don't
No I don't
No I don't
No I don't find faith in your forced feelings
Not fooled by your misleadings
Won't buy this line you're selling
Tired of this lie you're telling
I won't
I don't
No I won't do this anymore
I won't
I don't

No I won't do this anymore
She say's I'm only tellin half of it
That's probably cause there's only half worth telling
And every time I try to laugh it off
That's when you turn around and wind up yelling
When am I gonna learn
Why? Cause I'm tired of hating

I won't

No I won't do this anymore
