NICKLE BACK - hero (spider man soundtrack)

im so high ,i could hear heaven
im so high ,i could hear heaven
oh but heaven no heaven dont hear me

(chorus:)
and they say that a hero could save us im not gonna
stand here and wait oh hold on to the wings of a hero
watches the hope fly away

someone told me love would all save us
but how can that be look what love gave us
a world full of killing and blood spilling
that world never cant

(chorus:)
and they say that a hero could save us im not gonna
stand here and wait oh hold on to the wings of a hero
watches the hope fly away

ah ha oh!

and now that the world isnt ending
its love that im sending to you
and its in the love of a hero and thats why i fear it wont
do

and they say that a hero could save us im not gonna
stand here and wait oh hold on to the wings of a hero
watches the hope fly away

and there watching us there watching us as the hope
flys away

and there watching us there watching us as they all fly
away

and there watching us there watching us as they all fly
away

(end)
