Tell your friends not to think out loud

Until they swallow

Whisper things into my brain

Your voice sounds so hollow

I am not a leader of men

Since I prefer to follow

Do you think I could have a drink

Since it's so hard to swallow

Yeah so hard to swallow

Turn your television off

And I will sing and I a song

And if you suddenly have the urge

Well you can sing along

I touch your hand I touch your face

I think the fruit is rotten

Give me lessons on how to breathe

Cos I think I've forgotten

Yeah I think I've forgotten

One day up to the cliff

That overlooks the water

I jumped in to save a girl

It was somebody's daughter
And now the ring that's on my hand
Was given to me by her
And to this day we all sit around
And dream of ways to get higher
Yeah
To get much higher
Oww
Tell your friends not to think out loud
Until they swallow
Whisper things into my brain
Your voice sounds so hollow uyeah
I am not a leader of men
Since I prefer to follow
Do you think I could have a drink
Since it's so hard to swallow
Yeah so hard to swallow
