He's drunk again it's time to fight
She must have done something wrong tonight
The living room becomes a boxing ring
It's time to run when you see him
Clenching his hands
She's just a woman
Never again
I hear her scream from down the hall
Amazing she can even talk at all
She cries to me "go back to bed"
I'm terrified that she'll wind up
Dead in his hands
She's just a woman
Never again
Been there before
But not like this
Seen it before
But not like this
Never before have I ever
Seen him this bad
She's just a woman

Never again

Just tell the nurse you slipped and fell

It starts to sting as it starts to swell

She looks at you she wants the truth

It's right out there in the waiting

Room with those hands

Looking just as sweet as he can

Never again

Seen it before

But not like this

Been there before

But not like this

Never before have I

Ever seen it this bad

She's just a woman

Never again

Never Again

Father's a name you haven't earned yet

You're just a child with a temper

Haven't you heard? "Don't hit a lady?"

Kicking your ass would be a pleasure

He's drunk again it's time to fight

Same old shit just on a different night

She grabs the gun she's had enough

Tonight she'll find out what's fuck is

Up with is this man
Pulls the trigger fast as she can
Never again
Seen it before
But not like this
Been there before
But not like this
Never before have I ever
Seen it this bad?
She's just a woman
Never again
Seen it before
But not like this
Been there before
But not like this
Never before have I ever
Seen it this bad?
She's just a woman
Never again
Never again
Never again
Never again
