All the sands of love and dirt

The long days in the field

My mother's hands are serving meals

In a cafe on main street

With mouths to feed

Just trying to keep clothing on our backs

And all I hear about

Is its not so bad, so bad?

Too bad, too bad

Too late, so wrong

So long

It's too bad

We had no time to rewind lets walk

Let's talk, let's talk

You left without saying goodbye

Although I'm sure you tried

You call the house from time to time

To make sure we're alive

But you weren't there

Around when I needed you the most

And now I dream about it

It's all so bad, it's so bad

Too bad, its too bad

Too late, so wrong

So long

It's too bad

We had no time to rewind lets walk

Let's talk, it's so bad

Too bad, too bad

Too late, so wrong

So long

Too bad

We had no time to rewind lets walk

Let's talk, let's talk

For all the sands are lined with guilt

For tearing us apart

Guess it turned out in the end

Just look at where we are

We made it out

We've still got clothing on our backs

And now I scream about it

It's all so bad, it's so bad, it's so bad, it's so bad

It's too bad, too bad

Too late, so wrong

So long

It's too bad

We had no time to rewind lets walk

Let's talk, it's so bad

It's too bad, too bad

Too late, so wrong

So long

It's too bad

We had no time to rewind lets walk

Let's talk,

No time lets walk lets talk
