I paid my last respects this morning on an early grave
Already said goodbye
Nothing left to say
A tiny church, a tiny town and not a tear was spent
Not how I wanted it I'm hating all of this

Well I'm hating
All of this
I'm hating
All of this
All of this
All of this
Now I know why
I hide my love from you some days
No I don't mind
Keeping this bottled inside me
You came along
And tore this wall down around me
Looks like you found me
Now I know why
I felt like shit when I woke up this morning

I've been a loser all my life I'm not about to change
If you don't like it, there's the door nobody made you
stay
There ain't a woman on the planet who can deal with it
Just how I wanted it
I'm hating all of this

Well I'm hating
All of this
I'm hating
All of this
All of this
All of this
Now I know why
I hide my love from you some days
No I don't mind
Keeping this bottled inside me
You came along
And tore this wall down around me

Looks like you found me
Now I know why
I felt like shit when I woke up this morning

Well I'm hating
All of this
I'm hating
All of this
All of this
All of this
Now I know why
I hide my love from you some days
No I don't mind
Keeping this bottled inside me
You came along
And tore this wall down around me
Looks like you found me
Now I know why
I felt like shit when I woke up this morning

All of this
All of this
Now I know why
I hide my love from you some days
No I don't mind
Keeping this bottled inside me
You came along
And tore this wall down around me
Looks like you found me
Now I know why
I felt like shit when I woke up this morning
