Well I never thought I'd make it
Here in Hollywood...
I never thought I'd ever
Want to stay...
What I seem to touch these days
Has turned to gold...
What I seem to want
Well you know I'll find a way
For me... it's the only life
That I've ever known
And love is only one...
Fine star... away
Even though the living
Is sometimes laced with lies...
It's alright...
The feeling remains
Even after the glitter fades
The loneliness of a one night stand
Is hard to take
We all chase something
And maybe this is a dream

The timeless face of a rock and roll
Woman... while her heart breaks
Oh you know... the dream keeps coming
Even when you forget to feel
For me... it's the only life...
That I've ever known
And love is only one... fine star away
Even though the living
Is sometimes laced with lies...
It's alright...
The feeling remains...
Even after the glitter fades
For me... it's the only life
That I've ever known
And love is only one fine star away
Even though the living
Is sometimes laced with lies
It's alright...
The feeling remains
Even after the glitter fades
Oh you know... the feeling remains
Even after the glitter fades
Oh the feeling remains...
Even after the glitter... fades
