There was no message to be found anywhere in sight

Inside or out

I had looked everywhere but the only lamp left on in the house

Was a blue light... a blue light

I was not ready... I'm no enchantress well I was too proud

Go find some Christmas angel then give that to her

If that's what she wants...guardian angel

Guardian... if you were wiser you would get out

Downstairs the big old house is mine

Upstairs where the stars still laugh and they shine

Downstairs where the big old house is mine

Outside where the stars still laughin'

Stars still laughin' shinin'

Stars still laughin' cryin' shinin'

Stars still laughin' cryin' shinin'

Stars still laughin' shinin' shine!

Don't listen to her listen through her

Some Christmas angel

Huh freedom well give that to her... ooh

Well is that what she wants... guardian angel

Guardian... if you were wiser you would get out... ooh...  
yeah

Ooh yeah... ooh yeah... ooh yeah... ooh

And the light that shines through the shinin' night

Is the lamp that I carried from my mother's home

And the light that burns through the window pane

And the love remains
