Outside my door the rain is falling
A cold, wild wind will come
Well there's someone for me somewhere
But I still miss that one
No I never got over those blue eyes
I see them everywhere
And I miss those arms that held me
Baby, when all the love was there
Well I wonder if he's sorry
For ending what we had begun
Well there's someone someone for me somewhere
Baby, well I still miss someone
And I never got over those blue eyes
I see them everywhere
And I miss those arms that held me
Ooh baby, when all the love was there
And I never got over those blue eyes
I see them everywhere
And I miss those arms that held me
Baby, when all the love was there
Baby, when all the love was there

Baby, when all the love was there
