you've left me now and its seasoned my soul  
and with every step you take  
i watch another part of you go  
i continue to buil a wall  
you were so strong i fell to my knees  
and i don't think i can handle this at all  
well, one more night i'd like to lie and hold you  
(yes, and feel...)  
to make you smile, i'd like to be there for you  
have you forgotton...me  
and the days go by  
doin' nuthin about this  
how much time  
will i have to spend  
my mind won't rest, and i don't sleep  
not even in my dreams  
if you ever did belive for my sake  
if you ever did belive  
and the days go by  
(by...)  
doin' nuthin' about this

how much time will i have to spend

and the days go by

(by...)

doin' nuthin' about this

how much time will i have to spend

well, one more night i'd like to lie and hold you

(yes, and feel...)

to make you smile, i'd like to be there for you

have you forgotton...me

baby don't leave me

baby don't leave me

baby don't leave me

im down on my knees
