"It's Only Love"

I think I met my match again
Passing 'round the candlelight
In the center of this blizzard
You stood and melted all the ice

[Chorus:]
Ah, it's only love
Ah, it's only love
Ah, if only love comes around again
It will have been
Worth the ride

You were master of so many
But savior to none
I waged all of my hopes so plenty
On you, now look what I've become

[Chorus]

Someday's lonely is not only
A word, but faces I have known
And if you see me, could you free me
With a smile, so I can let go
