I'll stay with you one more night
I'll bid you no goodbyes
Not until tomorrow's light
Then I'll say goodnight
I would really rather die
Than make you stop
I think that is the meaning of love
I think that is the meaning of love
And I prefer to kick it
Yes I think that is the meaning of love
And I prefer to kick it kick the habit
Well I'm waited for in Egypt
It's just something I must do
Yes I can see you're waited for all over you
All day and all night all over the world
It's your world
I think that is the meaning of love
And I'm prepared to kick it
Yes I think that is the meaning of love
And I prefer to kick it
So what is this when you can

What is this what about me

What is this (What is this)

I understand (I understand)

What is this I'm lonely I'm lonely (I'm lonely)

It's a strange kind of love affair

A symphony of sorts

Strange kind of love affair

A declaration of war

No I won't be here tomorrow night

You won't see me smiling

Tomorrow when it's very dark No crying

I think that is the meaning of love

And I prefer to kick it

Yes I think that is the meaning of love

Surrender

Well I think that is the meaning of love

I think that is the meaning of love

And I prefer to kick it

Yes I think that is the meaning of love

But I prefer to kick it

Well I loved you more than life itself

Nothing like forever more

But I'm prepared to kick it

(Something like dying

Yes I loved you more than life itself

But I'm prepared to kick it
