Is love so fragile and the heart so hollow

Shatter with words impossible to follow

You're saying I'm fragile I try not to be

I search only for something I can't see

I have my own life

And I am stronger than you know

But I carry this feeling

When you walked into my house

That you won't be walking out the door (2x)

(Chorus)

Lovers forever -- face to face

My city or mountains

Stay with me stay

I need you to love me

I need you today

Give to me your leather

Take from me my lace

You in the moonlight

With your sleepy eyes

Could you ever love a man like me

And you were right

When I walked into your house

I knew I'd never want to leave

Sometimes I'm a strong man

Sometimes cold and scared

And sometimes I cry

But that time I saw you

I knew with you to light my nights

Somehow I'd get by (2x)

(Chorus) 2x
