Sometimes It's A Bitch

*written for Stevie by Jon Bon Jovi after seeing some of the things she has

been through. What a nice surprise for her!!

Well I've run thru rainbows and castles of candy

And I've cried a river of tears from the pain

I try to dance with what life has to hand me

My partner's been pleasure, my partner's been pain

There are days when I swear I could fly like an eagle

and dark, desperate hours that nobody sees

My arms stretched triumphant on top of the mountain

My head in my hands, down on my knees

Chorus:

Sometimes it's a bitch, sometimes it's a breeze

Sometimes love's blind and sometimes it sees

Sometimes it's roses, but sometimes it's weeds

Sometimes it's a bitch...but sometimes...it's a breeze

I've reached in darkness and come out with treasures

I've laid down with love and I've woke up with lies

What's it all worth? - Only the heart can measure

It's not what's in the mirror, but what's left inside
you've gotta take it as it comes.....
Sometimes it don't come easy.....
Well I've run thru rainbows and castles of candy
I've cried a river of tears from the pain
I've tried to dance with what life had to hand me
And if I could, I'd do it all over again
Sometimes it's a bitch, sometimes it's a breeze
Sometimes the picture just ain't what it seems
you get what you want but it's not what you need
Sometimes it's a bitch and sometimes....it's a breeze
Sometimes it's a breeze
Well, it's a breeze.
