I'm tired

I'm thirsty

I'm wild-eyed

In my misery

Timeless in your finery

It's a high price

For your luxury

Chorus:

Sorcerer

Who is the master?

A man and a woman on a star stream

In the middle of a snow dream

Sorcerer

Show me the high life

Come over

Let me put you on ice

All around black ink darkness

And who found lady from the mountains

All around black ink darkness

And who found lady from the mountains

Lady from the mountains

I'm tired

I need you badly

I'm wild-eyed

In my misery

Timeless in your finery

It's a high price

For your luxury

Chorus
