No one looked...as I walked by
Just an invitation would have been just fine
Said no to him...again and again
First he took my heart...then he ran
No one knows how I feel
What I say unless you read between my lines
One man walked away from me
First he took my hand...take me home
Chorus:
Standback...standback
In the middle of my room
I did not hear from you
It's alright...it's alright
To be standing in a line
(Standing in a line)
I would cry...
Do not turn away my friend
Like a willow I can bend
No man calls my name
No man came
So I walked on down away from you

Maybe your attention was more

Than you could do

One man did not call

He asked me for my love

And that was all

Chorus:

Standback...standback

In the middle of my room

I did not hear from you

It's alright...it's alright

To be standing in a line

(Standing in a line)

(Standing in a line)

So I walked on down the line

Away from you

Maybe your attention was more

Than I could do

One man...did not call

Well he asked me for my love

That was all
