STOP DRAGGING MY HEART AROUND

By Stevie Nicks

Baby you come knocking on my front door

Same old line you used to use before

Just a girl well what am I sposed to do

I didn't know what I was getting into

So you had a little trouble in town

Now you're keeping some demon down

Stop dragging my, stop dragging my

Stop dragging my heart around

It's hard to think about what you wanted

It's hard to think about what you lost

These doors don't have to be the big "get even"

These doors don't have to be anything at all

I know you really want to tell me goodbye

I know you really want to be your own girl

Baby you could never look me in the eye

Yeah you buckle with the weight of the world

Stop dragging my, stop dragging my

Stop dragging my heart around

(break)

Theres people running 'round loose in the world

Ain't got nothing better to do

Make a meal of some bright eyed kid

You need someone looking after you

I know you really want to tell me goodbye

I know you really want to be your own girl

Baby you could never look me in the eye

Yeah you buckle with the weight of the world

Stop dragging my, stop dragging my

Stop dragging my heart around

Stop dragging my heart around

Stop dragging my heart around

Stop dragging my heart around

Stop dragging my heart around
