Don't explain  
Just lay back and watch the rain  
Cause darling I'm right here  
And nothing's changed  
Don't you know by now  
I would not even know how  
To keep myself from falling for you  
I'll be around  
Unconditional love  
I'll be there when you fall  
The one condition of love  
Is there are none at all  
Why would I  
Be a fool and break these ties  
When all the dreams that I believe  
Are in your eyes  
Don't you see at last  
You don't even have to ask  
I'll give you so much more  
Than just a second chance  
Hey, hey, hey my precious one

Hey, hey, hey my precious one
