"Animal"

Visit "[Animal](#)" on MotoLyrics.com

Your body looks like sin
I think I want to taste you
I can smell your skin
But i just want to use you

I don't want you
And I don't need you
Going to fuck you like an animal
I don't want you
And I don't need you
Going to fuck you like an animal
I don't want you
And I don't need you
Going to fuck you like an animal
I don't want you
And I don't need you
Going to fuck you like an animal

You're nothing but a whore
You're nothing but a whore

There's nothing left to say
Stay away from me
You better walk away
You just bore me can't you see?

I don't want you
And I don't need you
Going to fuck you like an animal
I don't want you
And I don't need you
Going to fuck you like an animal
I don't want you
And I don't need you
Going to fuck you like an animal
I don't want you
And I don't need you
Going to fuck you like an animal

You're nothing but a whore
You're nothing but a whore

I don't want you
And I don't need you
Going to fuck you like an animal
I don't want you
And I don't need you
Going to fuck you like an animal
I don't want you
And I don't need you
Going to fuck you like an animal
I don't want you
And I don't need you
Going to fuck you like an animal
I don't want you
And I don't need you
Going to fuck you like an animal

You're nothing but a whore
You're nothing but a whore
