Yo, bang bang catch a dubby shell
Whole world crush motherfucker
20 drown, apocalyptic, apocalyptic
Niki's pop shit till I pop in the clip no
Yes, Sean Price is the best
'Â€Â†of hero my chest call me 'Â€Â† fresh
Be, body 'Â€Â† shoot
And we 3 shot in your face down
Shot my 'Â€Â† round of truth
Niggers is fake, duck tells,
Unbreakable sean jackson you fuck's 'Â€Â†
The flow, so fresh my round 'Â€Â†
My flow is allowed, ya niggers is 'Â€Â†
'Â€Â† lyrically at the pc, 'Â€Â† tracks you hate that,
come and see me
Nigger Sean is nice, I will kill you before a green card I
carved twice

Murd 'em on another level hear these words I write
That's what got me signed I ain't taking your advice,
that's right
Think of my life as a movie without the scripted scene
It's a 'Â€Â† I really live a dream
Another level what you hearing is what I really did
So what I say through these bars is what I really live
Same time it's just I caught me 'Â€Â†
You wouldn't understand cause I'm on another level

Yo, I'm the truth of bizness ya know that you dudes are
finished
I be getting stupid spend this, help me 'Â€Â† biscuits
Ya dudes don't live it you should limit the 'Â€Â† you
share with
You bout to lose a 'Â€Â† to sip it
I use the 'Â€Â† with trappers 'Â€Â† my backpack
Wrapped in weed package them 'Â€Â†
'Â€Â† score says
You in big time, homie you act greavy
Act crazy, insecure like fat ladies
'Â€Â† weed in the stash
I'm on another level, ps3, xbox and nintendo wii

Don't pretend to be what you now
Cause it catch you like a criminal cop
Pull out and finish 'Ä I'm in the place where the
criminals cop
Where you bitch niggers not
White jersey like I pitch for the socks
And my kicks ain't color my socks
Show love to your pops, cause home boy I father 'Ä
Fuck you cats with your horrible sound
... the crow, I'm on a mission to the modesty now
I'm popular now, pockets filled with washingtons now
With franklins and bejamins so I can have 'Ä

I'm on another level hear these words I write
That's what got me signed I ain't taking your advice,
that's right
Think of my life as a movie without the scripted scene
It's a 'Ä I really live a dream
Another level what you hearing is what I really did
So what I say through these bars is what I really live
Same time it's just I caught me 'Ä
You wouldn't understand cause I'm on another level.
