Deathwish

(This isn't for your eyes)  
You a victim  
A victim of fate  
You left the world  
The world of pain  
You found a solution  
Escape from this horror  
You left the one  
The one you love  
She was your light  
The light of your life  
But on this day  
The day of hate  
She lost her beauty  
She lost her smile  
Now she couldn't live without machines  
She nearly died she wish's she has  
She couldn't move  
She couldn't speak  
She couldn't see  
She couldn't feel

Chorus:  
The pain in her eyes  
The pain in her mind  
She can't live  
She can't die  
She is trapped in a cage of death  
The pain in her eyes  
The pain in her mind  
She can't live  
She can't die  
She is forced to stay alive  
The pain in her eyes  
The pain in her mind  
She can't live  
She can't die  
She is trapped in a cage of death

She was your light  
The light of your life  
But on this day  
The day of hate  
She lost her beauty  
She lost her smile  
Now she couldn't live without machines  
She nearly died she wish's she has  
She couldn't move  
She couldn't speak  
She couldn't see  
She couldn't feel

...Chorus... (2x)
