Psychopath

You try to force me, in your direction
But I'm not the one who wants to play your game
I want to live, my own life
And I don't want you to be a part of it
You drive me crazy, with your orders
I just want to do what's best for me
I want to kill, all your sceptics
The time will come I'll show you my success

CHORUS:

One day I'll raise my power
This is my revenge
I am your executer
Your life is in my hands

You drive me crazy, with your orders
I just want to do what's best for me
I want to kill, all your sceptics
The time will come I'll show you my success
But if you want to change me, there is no way
You better not try to silence a psychopath

CHORUS: [repeat]
