[DJ Premier] "I'll tell you this much, you know a good thing when you see it"
{*scratching*}
"We gotta, move to a different place"
[Termanology] Uh hun
[DJ Premier] {*scratching*}
"He's-gangsta-pimp-hustler"
"Are you ready"
"Termanology"
"Are you listening, do you know what I sayin"
[Termanology] One two
[DJ Premier] "Ter-Ter-Ter"
"Termano-"
"Nology"
"Tryin' to tell 'em that is the flow son..." --> Jadakiss

[Termanology]
(Verse 1)
Ayyo
Scratch Magazines had the flows untimely
Then they ask why have an Eminem sign me
Ask myself the same question everyday
Well, I'm sweatin', still baggin' up grams of Bouday
Yo, Jay
You should hit me up
Cause I can go to the Roc or Roc La Familia
Bring that stock up
You could stock up
On a couple platinum plaques, I throw the Roc up
Just some shit I thought up
But it probably works
So hit me if you need some quality work
I'm the most underrated
Underestimated
Unsigned new cat to rap
See, I hit every label up
They said, "Damn, you could rhyme
You the best cat out we can't sign"
Well, that's fine
Cause I'm a remember
Each and every one of y'all faces when I make it

Chorus: DJ Premier

{*scratching*}

"Terminology"

"I'm deadly when I pull the pin out" --> Big L

"Every word I say should be a hip hop quotable" --> Pos

"The flow's so amazing, nigga" --> Jay-Z

(Verse 2)

Who you know makes in a turn, riddle me this

If you don't say Rakim, you better say Kiss

Styles P

Kool G or Pac

Anybody else, I put 'em up in the box

They say

Lyrically, I'm the new AZ

Cause if I really wanted to, I could keep up with Nas

Term is like Earth, Wind & Fire

Rims and tires

But you can't ask people, they buy ya

So I'm the flyest sire of this side of Elmyra

I'll walk past papayas and into the fire

I'm

Chillin' with Mya

Crushin' Mariah

While I'm, fuckin' with Tyra, you fuckin' the virii

I got

Latino respect like Carlito

Since

Way back with Stretch and Babido

I'm in the lab, it's just me and Primo

The ghost of James Brown and the soul of Chris Rios

Repeat Chorus Twice

(Verse 3)

Puff hear this?

Take a meeting the next day

I won't say shit, I just tell them to Press Play

Yo, Dre

You should hit me with some beats

I'll write the whole Detox in one week

The sun rises in the east

But it sets in the west

So I ain't got an S on my chest

I'm the best new artist, out that's on the market

Who you think your girl feeling up the iPod with

You give me a mil? I turn into 50

Watch me diss every muh'fucker who ever diss me

My kicks is crispy, sippin' on a Formula 50

Bitches sayin' when I'm tourin', they miss me

I'm so Ludacris, I could be D.T.P.
Get it crunked like TVT
These A&R's hear me, they gon' lose it
Man, it's just Common Sense, it's good music

Repeat Chorus

[DJ Premier]
{*scratching*}
"Term-Term"
"Term-Term"
