Woman oh woman
Have you got cheating on your mind, on your mind
Something's wrong between us that your laughter
cannot hide
And you're afraid to let your eyes meet mine
And lately when I love you, I know you're not satisfied

Woman oh woman
Have you got cheating on your mind, on your mind
I've seen the way men look at you, when they think I
don't see
And it hurts to have them think that you're that kind
But it's knowing that you're looking back, that's really
killing me

Woman oh woman
Have you got cheating on your mind, on your mind
A woman wears a certain look when she is on the move
And a man can always tell what's on her mind
I hate to have to say it but that look's all over you

Woman oh woman
Have you got cheating on your mind
Oh woman oh woman
Have you got cheating on your mind
