Chikyau no tame ni
Ware wa ware wa ima tate ni naru
I-jisu kami no motsu tate
Sono na o wa reraidaku

Nobi yuku ma no teo
Sae giru sae giru mamori tonatte
Kirameku hohoemi otsunagu
Kyou kara asu he

Gin no tsubasa ni afureru risou to
Hokori o no sete wa batakku
Inochi o mo yashitsu kusou
Hei wa o heo wa o motomete

Sakama kuarashi ni
Aragai aragai maeni susumeba
I-jisu tenohira no naka
Kibou wa tsukami toreru

Hirugaru kurugu mo
Hanenoke hanenoke yumi ni sakarau
Tenkara koboredasu hikari wa
Minna nihitishiku

Tsuyoki kokoro wa wa ga mune ni yadorite
Seigi no tsurugi o kazashi
Ima koso tomo ni meza sou
Ri sou no ri sou no sekai o
