Livin' in this crazy world so caught up in the confusion

nothin' is makin' sense for me and you.

Maybe we can find a way
there's got to be a solution
how to make a brighter day
what do we do ?

We got to give a little love
have a little hope

make this world a little better

try a little more harder than before

let's do what we can do together.

Ooh
we can really make it better
ooh
only if we try.

Got the worries on our minds
got the troubles on our shoulders

sometimes it just seems so much what we got through.

But maybe if we take the time
time to understand each other

we can learn to make it right
what do we do ?

We got to give a little love
have a little hope

...

ohh lalala - only if we try.

If everybody took somebody by the hand

then maybe ev'ryone could learn to love and
understand.

Ooh

we can really make it better
ooh
only if we try.

We got to give a little love
have a little hope

...

We got to give a little love
have a little hope

...

We got to give a little love
have a little hope

...
