(thank you)

I, I want to sell my soul to you
please don't refuse my decision
I can't deny my addiction

I would give up everything I achieved
just to be with you baby
forever be with you baby

don't, don't tell me lies no more
don't you think that I could be
whatever you want me to be
so why don't you try
to let me be the one for you
to sacrifice my soul to you
forever and a day

chorus:
don't tell me lies no more
don't you know that you belong to me
I'm what your looking for
I can never let you go again
I just can't wait no more
don't you know that you belong to me

you are the reason for me to break up
I think that you're a slut
your nothing like a bitch to me
you make me feel like a paranoid idiot
you sucked the life out of me
sold poisen to me

chorus

don't tell me lies
don't bring me down
I am the only one you have
don't tell me lies
don't bring me down again

chorus
