"animal (little pussy mix)"

you're body looks like sin
I think i want to taste you
I can smell your skin
but i just want to use you

i don't want you
and i don't need you
going to fuck you like an animal
i don't want you
and i don't need you
going to fuck you like an animal
i don't want you
and i don't need you
going to fuck you like an animal
i don't want you
and i don't need you
going to fuck you like an animal

your nothing but a whore
your nothing but a whore

there's nothing left to say
stay away from me
you better walk away
you just want me to just see

i don't want you
and i don't need you
going to fuck you like an animal
i don't want you
and i don't need you
going to fuck you like an animal
i don't want you
and i don't need you
going to fuck you like an animal
i don't want you
and i don't need you
going to fuck you like an animal

you're nothing but a whore

you're nothing but a whore

i don't want you
and i don't need you
going to fuck you like an animal
i don't want you
and i don't need you
going to fuck you like an animal
i don't want you
and i don't need you
going to fuck you like an animal
i don't want you
and i don't need you
going to fuck you like an animal

you're nothing but a whore
you're nothing but a whore
