Hey, is the first day, hey is the first day
Ohhhhh!!

Come here your new brain will be bringed here
as a little pig I tink it works
you should make as our lifes...
Â´cause the rules here are made by us

Hey, is the first day, hey is the day
Ohhhhh!!
Hey, is the first day, hey is the day
Ohhhhh!!

Come here your new brain will be bringed here
as a little pig I tink it works
you should make as our lifes...
Â´cause the rules here are made by us

Rules made by us
made by us
Rules made by us
made by us, made by us, made by us

They absorb you to hell
Oh oh oh oh
