So you complain about population increase  
to avoid the fact you sent for slaves  
was this the reason you administered aids  
well this is what happens when you let the beast out the  
gate

Chorus:

Term: I put the bullets in my gun  
Snuk: Load em' up fit the clip into the top  
Term: The 22 or the shotgun  
Snuk: Pop it we gon' spit it till they drop  
Term: Either way when I pop one  
Snuk: Either way when I pop it you gon' fall  
Term: Mass murdas' the outcome  
Snuk: No strays in my gun I kill em' all

I bet you've never suffered once in your life  
mother fuck the detonator plan maker life taker  
I'll recruit your daughter strap hand grenades on her  
hand her the AK ask her to die for honor

Chorus:

What ever happened to assassination, evacuation and  
Hiroshima  
the box cutter it cuts through your lover like butter  
1,000 crying mothers lie awake under the covers

Termanology:

Antennas and scanners  
hammers damage your grandmas and nanas  
bandanas over the handles  
cannons blammin bananas  
I'm never speakin with manners  
I'd rather make people vanish  
and bury creeps in the granite  
my legacy is satanic  
I'd pop a cocky copper copy  
walkie talkie honky Nazi  
drunk off saki dump and watch me  
the kamikaze

the desert eagle is evil  
it rips through people it's evil  
and it is equal to sequels of Nagasaki

It's Murder!!!

Thanks to feel
