Here I stand as you're leaving
Far away from me
And, I don't know why you're leaving
I am lost... do you see?
You lied to me...

What am I supposed to do without you?
What am I going to love instead of us
Instead of our life?
I tried, I wasted time believing you were mine
I know it now you're gone somehow
I will go on go on...

What if I said that I'd change
To everything you need?
Make believe I am someone
Else you'd love and keep...
Would you leave me?

What am I supposed to do without you?
What am I going to love instead of us
Instead of our life?
I tried, I wasted time believing you were mine
I know it now you're gone somehow
I will go on go on...

And in the days to come I will know it
And so if I don't live for it
Far beyond this, staying away from you
I won't be the one left hated, discarded, and jaded
Now I know
Not for you
I'll find the way to
My heart and I am gone...

What am I supposed to do without you?
What am I going to love instead of us
Instead of our life?
I tried, I wasted time believing you were mine
I know it now you're gone somehow
What am I supposed to do without you?

What am I going to love instead of us
Instead of our life?
I tried, I wasted time believing you were mine
I know it now you're gone somehow
I will go on go on
No I will go on go on
Know that I will go on go on...
