jenny i think you've lost your mind  
jenny the friends you thought you had  
have left you far behind  
jenny there's truth in unkind words  
sometimes  
take what you need  
and leave the rest  
for someone else to find

now you wanna show it to the world  
you wanna show them  
just what happens  
when you hurt a girl

jenny i think you lost your mind  
jenny i think you lost your mind  
take that trophy from your hand  
and just put it down  
you can  
we all have to lose sometimes

it'll be better in a year  
you'll forget everything  
you thought  
was so important here  
jenny i know even the darkest clouds  
will disappear

now you wanna show it to the world  
you wanna show them  
just what happens  
when you hurt a girl

jenny i think you lost your mind  
jenny i think you lost your mind  
take that trophy from your hand  
and just put it down  
you can  
we all have to lose sometimes  
we all have to lose sometimes  
we all have to lose sometimes...
