Anata no tegami ni wa yomenai ji dake
Atte sonokuchi kara kikasete hoshii

Narenai shiro wa nigate toikisae hibiku
Sorano iro sae shiretara sukuwareru no ni
Umaku dekinu kokyuumo itsuka wasuretai
Sou negaeru tsuyosa mo hikarabisoude

Usubuse no asu utaeba togewo tsutau suimin
Karada ni karamaserareta restraint
Even the mind seems to sleep
Hooni fureta netsu wa totemo natsukashiku yasashii
Mourou no hazamade mita kage danshoku no yume

Anata ni utsuru watashi no me ga
Anata wo miushinau higakitemo
Kono me ni yakitsuite kureteiru
Komorebino hibito anata wa
Tsureteikanaide

Nijimu shiro ga yureru
Kotoba mo wasuresou
Namida wa nagarete doko e yuku no
Watashi no namae wo yonde
Kudakeru kurai daite
Koreijou ushinau no ha kowai

Anata wa dokode watashi no koto utatteiruno
Mimi o sumashitemo hibiku no wa fuanteina kodou
Hooni nokotteta hazu no netsu ga omoidasenai
Mourou no hazamade mita no wa kanshoku no ima

Senbano totemo chiisana
Anata no negai ni yorisotte
Egao mo kaesezu ni tada
Toiki wo kazoeteita kioku no saigo ni?
Anata no koe ga kikoete
Subete wo nakushita asa
Hitotsu ni narenu futari
