The reverse side of beauty  
It dyed by beloved filth.  
(Don't let that side of beauty, get you filthy here)

genwaku no umiã€€shizunda hotaru  
hitei wa yokkyuu jou no uso  
mujun de somaru taion  
risei wo kaburu aibu ni  
odori tokekomo shun wa fui in  
kegarawashiku,  
My mind which falls

Your seed and my seed never mixes.  
The connection of this blood is eternal.  
You cannot finish suppressing the desire.  
To true daughter...[Sexual disgrace]

toiki fusagu myakuutsu ã€œueã€œ wa  
wakariaenu guren wo motomu

Closet mind is distorted instability.  
please release me before breaking.  
How long...  
In humiliation  
The countless fatal scar was born.

[Sexual disgrace]

Prohibited bud...  
Reckless driving cucumber...  
The kin' collapses...  
Near relatives on death...  
The smell of a cigarette smell breath&shit;  
Moment that bitter white jam is mixed  
Inside of a brain caused an error  
and goes mad by the sweet bug [loop]

kubi wo hawasu shitasaki to te  
nozomu hyoujouã€€guren ni somare

Closet mind is distorted instability.

please release me before breaking.  
So long...  
In humiliation  
The final art is your dead face

Dad which fell to the trap
