gan gan gan furueru gan gan gan kodou ga

dan dan to furueru nouzui shigeki suru

saikou ni ikare tense COKE no kouka
don don to shikai ga don don hirakeruze
CUCUMBER DEVIL ga buraunkan ni toujyou da
maji kouite kita warai ga toman ne
gan gan gan furueru gan gan gan kodou ga
yameran ne kenjyou ga karada ni ketteita

tanoshikerya ii sa UPPER'S RISKY POGO DANCE
kimochi yokerya ii sa UPPER'S RISKY YEAH

The impulse and dream of teens
to run until the body breaks
do not stop!
It consents with the reckless thing
however, I continue wanting
To run until I die!

Feeling is lost little by little
surely singing even becomes impossible
Feeling is lost little by little
I am gazing at the heavenly direction

ashita ga moshi nakunatte mo koukai nante shinai sa
takusan no suteki na takaramono wo te ni iretan da
