evil has a sweet sweet scent, wickedness is fresh and
new each time
do you sense it? can you sense the glory in it?
i was just like you, i was the pauper to the demon
and you can have it too, the power and the feeling
its in the semen and in the blood, its in all of us

do you want to live? do you want to live?
then come with me, oh
call me demon, call me friend, call me anytime

i wont sell you out for the slightest doubt like your other
friends did
if theres a way in, then theres a way out, of course
there is
if theres a way in, then theres a way out
ill let you think that way for now, but just for now

evil has a sweet sweet scent, wickedness is fresh and
new each time
do i make you salivate? what does the pauper have to
say?
(what a sweet sweet scent)

i didnt find you, you found me
i hope you got what you wanted

i didnt find you, you found me
i hope you got what you wanted

i didnt find you, you found me
i hope you got what you wanted

i didnt find you, you found me
i hope you got what you wanted

i didnt find you, you found me
i hope you got what you wanted

i didnt find you, you found me
i hope you got what you wanted

i didnt find you, you found me
i hope you got what you wanted
