What would you think  
Thought what you will  
Felt how you feel inside  
Didn't hide a thing  
Think that I'm beautiful  
Let me be beautiful

What would you paint  
if pictures were real  
Paint me by candlelight  
The moon was high and still  
Make me be beautiful  
Just make me beautiful

Mother Nature is running down the cement  
Lying angel love ain't blind evening

(Chorus)  
Love should be real  
Love should be bold  
Love helps you heal  
it warms your soul  
Love doesn't kneel  
Love makes you bold  
Love makes you beautiful  
Love once it grows  
Love makes you beautiful (5x)

Hell knows no fury like a woman scorned, when love is  
torn  
Hell no, the truth ain't quiet  
it rages on, til love is born  
(chorus)

Love makes you beautiful (8x)

(chorus)

Love makes you beautiful (8x)  
Beautiful

What would you think

Thought what you will  
Felt how you feel inside  
Didn't hide a thing  
Think that I'm beautiful  
Would you like to see beautiful

Love is suffering and kind  
Love is not jealous  
Does not brag  
Does not get puffed up  
Does not behave indecently  
It bears all things, believes all things, hopes all things,  
endures all things, love never fails

(chorus)  
Beautiful, Beautiful

Love makes you beautiful (7x)
