Love like blood  
Never let me down again  
Love's like a gun  
My wild hearted son  
Shoot you through the heart  
The bullet in my side  
Here's a ode for you  
And ode for you...

Like a song for the  
Broken heart  
Seduce me again  
Dying just to thorn  
The deepest scars  
Songs of faith  
And devotion  
All the pain you will know  
Reveals the darkest  
Secret of your heart  
You're a slave to black love

Please let it bleed  
Painted scars that  
Run so deep  
Come with me  
Only when i lose myself  
I won't get through  
Without the air you  
Leave me breathless  
Stripped to the bone  
Just what we become

Like a song for the  
Broken heart  
Seduce me again  
Dying just to thorn  
The deepest scars  
Songs of faith  
And devotion  
All the pain you will know  
Reveals the darkest

Secret of your heart  
You're a slave to black love  
(slave to black love)

Like a song for the  
Broken heart  
Seduce me again  
Dying just to thorn  
The deepest scars  
Songs of faith  
And devotion  
All the pain you will know  
Reveals the darkest  
Secret of your heart  
You're a slave to black love  
Slave to black love  
You're a slave to black love  
Slave to black love
