Visit "[Running Away](#)" on [MotoLyrics.com](https://www.motolyrics.com)

You must have done something wrong
You must have done something wrong
You must have done something wrong
You must have done something wrong
Why can't you find a place where you belong
Running, running
Running, running
Running, running
Running, running
Running, running
Running, running
Running, running, running away
Every man feels like his burden is the heaviest
Every man feels like his burden is the heaviest
Who feels he knows it lord ?
Who feels he knows it lord ?
Who feels he knows it lord ?
Running, running
Running, running
Running, running
Running, running
Running, running
Running, running
Running, running
Running, running, running away
Running, running
Running, running
Running, running, running away
Running, running
Running, running
Running, running
Running, running
Running, running
Running, running
Running, running, running away
