There's a place where there's a crazy moon
Makes the monkeys sing
and the baboons swoon
And the sultry scent of the lotus bloom
Will carry you away
while the hippos swing from the jungle vines
And rhino rumba in a conga line
All the pink flamingos are intertwined
As the stars come out to play

In Upendi
Where the passion fruit grows sweet
And its so divine
That you'll lose your mind
As it sweeps you off your feet
In Upendi
Without a worry or a care
It just takes two
To make it through
Your heart will lead you there
In Upendi
In Upendi

You better watch your step
Cause the path is steep
You better hold your breath
The water's deep
It's a long way down off a Lover's leap
But falling is half the fun

In Upendi
Where the passion fruit grows sweet
And its so divine
that you'll lose your mind
As it sweeps you off your feet
In Upendi
Without a worry or a care
It just takes two
To make it through
Your heart will take you there

You can beat the bush like there's no tomorrow
From Tanganyika to Kilimanjaro
But you'll find Upendi wherever you are
Underneath the sun

In Upendi
Where the passion fruit grows sweet
And its so divine
That you'll lose your mind
As it sweeps you off your feet
In Upendi
Without a worry or a care
It just takes two
To make it through
Your heart will take you there
Upendi
