We're hanging round

When we could be all over the place

The sun is shining just the way we it

Let's get out of this hallway

Show the world our face

It's Friday but there's nowhere to go

Anywhere is cool but we're not going home

We can do anything we wanna do

It's all up to me and you

CHORUS

Turn this park into a club

The stars are lights

And the moon is the vibe from above

These skateboard's here's our ride

So pull on up everyone is waiting for us

Anywhere we are anywhere we go

Everybody knows

We got the party with us

Anywhere we are anywhere we go

Everybody knows

We got the party with us

VERSE 2

Radio let me be your dj

I'll turn you up

Keep us moving till we're on a roll

Everyone is dancing to their own beat

And letting go

Everybody here's gotta soul

It's Friday and there's nowhere to be

We're kicking it together, it's so good to free

We got each other and that's all we need

The rest is up to you and me

CHORUS

Turn this park into a club

The stars are lights

And the moon the vibe from above

This skateboard's here's our ride

So pull on up everyone is waiting for us

Anywhere we are anywhere go

Everybody knows

We got the party with us

BRIDGE

Life is for dreamers

and I'm believer

That nothing can stand in our way today, let's find a  
place to play

CHORUS

Turn this park into a club

the stars are lights

And moon is the vibe from above

These skateboard's here's our ride

So pull on up everyone is waiting for us

Anywhere we are anywhere we go

Everybody knows

We got the party with us

Anywhere we are anywhere we go

Everybody knows

We got the party with us

(REPEAT CHORUS)

We got the party, we got the party, we got the party, we  
got the party with us

WE GOT THE PARTY WITH US!
