Cut all your ties

And come along

The winds of change are blowing strong

Your time is here so take it

And I know you'll make it right

Make it right

Life is short

No time to wait

The tide is high

Don't hesitate

Time is treasure

Please don't waste it

This is your life so make it right

Make it right

Sail away

You can fly

On this wings of freedom you can reach the sky

Sail away

Dream your dreams

You will always find a chance to make your feelings

Come true

The blow wind's tough for me and you
And you keep going right on through
Your time is here so take it
In the end I know you'll make it right
Make it right
Sail away
You can fly
On this wings of freedom you can reach the sky
Sail away
Dream your dreams
You will always find a chance to make your feelings
Come true
See how time just slips away
Today was tomorrow yesterday
When you see a chance than take
When you find love then make it right
Oh all night
Sail away
You can fly
On this wings of freedom you can reach the sky
Sail away
Dream your dreams
You will always find a chance to make your feelings
Come true
