[Chorus: Chamillionaire singing]  
Big Swangaz and Vouges  
Them 20 inches sittin low  
We Ball 24's 7's all that we know  
Screens and neon lights gon show  
When my trunk unlock pop and show  
Ya already know  
Paint drippin off the door  
Not Engaged with no lady, fall in love with em no!  
You may think I'm crazy never knew this type of love  
before  
I'm love with my foreign, yes I'm married to my  
dough...  
I'm in love with my money... mmmm

[Paul Wall]  
Hold on hold up a second man  
I never mack to a metro dame  
You better respect the game  
See my gecko chain and correct ya brain  
I love my car like it was my girlfriend I like to carress  
the grain  
Followed the wheel and I got aroused  
swung in the ditch and I wrecked the frame  
Broke up with my foreign car and fell in love with my  
cadillac  
The Ringling Brothers enquired to how my trunk turns  
flips like an acrobat  
I act a rat, cuz I'm from the gutter  
ya girl stutter when I pull up next to ya  
You been with the girl 6 months Paul Wall  
is the reason she won't give sex to ya  
Why all that plex in ya  
Cuz a german company made my rims  
My big body's pregant with twins I'm bout to induce a  
baby benz  
Ya car was fly in the hood but my candy paint just wet  
ya flames  
I'm sittin on 22 inch baby sitters babelous threatenin ya  
name  
Forgot to change the diaper so when I crept in the lane I

left a stain  
Everytime it rains, paint drips and leaves a stain and I  
get the blame  
My TV's are the pet I train I can make em roll over and  
play dead  
My car was blue on the freeway  
but when I stopped at the light it changed to red  
You betta re arrange ya head thinkin I trick my cash to  
a broad..  
Go ahead and ask ya broad I got more green than the  
grass in a yard  
And thats so raw It ain't hard for me to get the class to  
applaud  
I shine like a blasting star, pushing a car more blacker  
than tar

[Chorus]
