Play Dirty

Like I slipped in mud before the game  
And The Coach wouldn't even let a playa go change

Play Dirty

I talk more trash than Ali

I float like a butterfly and sting like a bee

Play Dirty

Break ya nose like Rodman did Pippen

The minute you start trippin, I'll slip the banana clip in

Play Dirty

Everything in life ain't fair so sometimes you gotta play  
dirty

Do you feel me on that there?

[50/50 Twin]

Maan Fuck a rule book cuddy I play dirty

I cook 2 on stovers when I cook birdies

I got tattoos white boxers T-shirts and slugs

I'm I'm in the mirror then I'm fixin my mug

I put a nigga on the top floor

I beat him with a jack show him that I'm not a hoe

fill an application out at papadeaux's

work my way up to manager and rob the hoes

You never know what I'm gonna do next like a lava  
lamp

{\*tearing noise 2X\*} pull out the pockets on the damn  
dada pants

Ridin in a throwed lil car hotter than some fiya ants

I be actin like Bin Laden I think I got a problem man

I ain't the baddest in the world but I'm the baddest you  
done seen

I want you out that ride now pull over like trina

Ya patna owe me cash I'm gon get that bank

Put a bomb under the car and a twist in the gas tank...
