Take me for a ride in your brand new automobile  
Eyes on the line, both hands steady at the wheel

You're the most powerful driver that I've ever seen  
Run on dynamite instead of gasoline  
The way you flash the lights  
The way you hold the wheel  
Keep on rollin' baby  
I like the way it feels

Eat up the road  
Put the hammer down  
Keep on rolling baby  
We'll be riding till the break of dawn

Let me ride, ride, ride in that automobile  
Eyes on the line, both hands steady at the wheel
